**Reference information:**

**The organizer of EEF 2017 is the Roscongress Foundation**, a major organizer of convention and exhibition events. The Roscongress Foundation was founded in 2007 to develop Russia's economic potential and strengthen the country's image by organizing congresses and exhibitions with an economic and social focus. The Foundation develops the substantive content for these events, and provides companies with advice, information, and expert guidance, as well as offering comprehensive evaluation, analysis, and coverage of the Russian and global economic agenda.

Today, its annual programme includes events held from Montevideo to Vladivostok, offering an opportunity to bring together global business leaders, experts, the media, and government officials in one place, creating favourable conditions for dialogue and the promotion of new ideas and projects, and assisting in the creation of social enterprise and charity projects.
